Tai Chi for Rehabilitation: Instructor Certification Course

In this exclusive 2-day seminar, Patricia Lawson – a Master Trainer in Tai Chi – guides you through the research, benefits, and movements of Tai Chi for Rehabilitation (TCR). Upon completion of the hands-on training, you become a board-certified Tai Chi for Rehabilitation instructor through Dr. Paul Lam's Tai Chi for Health Institute and join a growing community of Tai Chi instructors around the world. Ms. Lawson equips you with the relevant tools and techniques to incorporate into any patient's treatment plans. Such a plan reduces the fall risks in your clients, decreases debilitating pain, and leads to improved functional outcomes and goal achievement. Adding this reimbursable therapy to your toolbox will immediately enable you to provide an additional modality to enhance patients' stability, flexibility, posture, balance, and coordination.

Speaker

Jocelyn Simpson is a Master Trainer and Board-Certified Instructor for the Dr. Paul Lam Tai Chi for Health Institute (TCHI), a nonprofit corporation based in Sydney, Australia. Ms. Simpson also serves as Secretary of the TCHI governing board. Currently, she offers instructor qualification workshops in 6 TCHI programs, including Tai Chi for Arthritis, Tai Chi for Arthritis for Fall Prevention, Tai Chi for Diabetes and Seated Tai Chi for Arthritis, and is Board-Certified in 9 programs including Tai Chi for Back Pain, Tai Chi for Rehabilitation, and Tai Chi for Osteoporosis. She is a certified Pilates instructor with over 1000 hours of formal training with a specialty certificate in pre/postnatal Pilates (trained personally with Carolyne Anthony). She has taught Tai Chi for Health programs in a variety of settings including physical therapy clinics, assisted living facilities, community centers, senior centers, specialized rehab/fitness centers, and Pilates studios. Ms. Simpson has served on the Programs Committee and Walk for a Cure Committee with the Arthritis Foundation and has presented in various capacities for that organization as well as the Fall Prevention Coalition and State of Georgia Department of Human Services, Division of Aging Services. She works closely with the latter in bringing evidence-based Tai Chi programs to all counties of the state of Georgia, working with regional Area Agencies on Aging and other organizations.

Speaker Disclosures:

Financial: Jocelyn Simpson is a master trainer for the Tai Chi for Health Institute. She receives a speaking honorarium from PESI, Inc. Non-financial: Jocelyn Simpson is a member of the Tai Chi for Health Institute.

Objectives

- Utilize safety precautions for Tai Chi when teaching others.
- · Apply the Stepwise Progressive Teaching Method during treatment.
- Teach the movement, body, and internal principles of Tai Chi for effective progress.
- Incorporate mindfulness in Tai Chi practice to enhance health and well-being benefits.
- Practice the dan tien breathing method to promote relaxation.
- Utilize weight transference techniques to improve balance.
- Apply situational focus in Tai Chi practice, encouraging mental alertness.
- Demonstrate the Chen, Yang, and Sun style of Tai Chi with application of lab.
- Teach modifications for participants of different movement abilities.
- Define the international fall reduction statistics directly related to Tai Chi programs.
- Independently apply the basic styles of Chen, Yang, and Sun style of Tai Chi by the end of the course to strengthen clients' flexibility, core, and balance.
- Demonstrate the various Tai Chi movements into a seated position to be used for non-ambulatory
- Develop practices of incorporating Tai Chi into real life situations for fall prevention.

To be certified, you must prove safe and independent performance of the routine by the end of the workshop.

RELATED PRODUCTS [Save by including with your seminar registration]

Tai Chi for Arthritis & Fall Prevention Handbook By Dr. Paul Lam

The Tai Chi for Arthritis program outlined in this informative handbook has helped millions of people - both with and without arthritis - to find relief from pain, improved balance and health, and a better quality of life within a short time. This handbook pairs perfectly alongside Dr Lam's Tai Chi for Arthritis DVD, and will empower learners to improve their health and wellness.

Tai Chi for Arthritis: 12 Lessons DVD

By Dr. Paul Lam

Reduce the suffering of your patients who have arthritis. Tai Chi expert Dr. Paul Lam guides you through the 12 movements that will result in pain relief and improved quality of life. Supported by both the Arthritis Foundation and the Center for Disease Control, this DVD is an important component of arthritis treatment.

Treating Chronic Pain

Pill-Free Approaches to Move People From Hurt To Hope

By Martha Teater, MA, LMFT, LCAS, LPC and Don Teater, MD, MPH

The best treatment for chronic pain isn't found in a doctor's office or pharmacy-it's in the therapist's office. Written by a mental health professional and a physician with over 50 years combined experience, this skills manual will teach you how to treat pain without pills and with confidence, using cutting-edge assessments, insights and interventions.

RETHINK Card Deck Mindful Conversation Starters

56 Questions to Encourage Compassion, Shift Perspective & Build Connection

By Theo Koffler, Mindfulness Without Borders

Whether you're at home, in the classroom, or running a clinical practice, these conversation cards are meant to get people thinking and talking about who they are, what they like, and how they interact with the world around them.

Each question targets different skills and areas of life, but all the questions have one primary purpose: to get you discussing the important fundamentals of an emotionally balanced, mindful and compassionate way of living.

Live Seminar Continuing Education Credit Information

Credits listed below are for full attendance at the live event only. After attendance has been verified, pre-registered attendees will receive an email from PESI Customer Service with the subject line, "Evaluation and Certificate" within one week. This email will contain a link to complete the seminar evaluation and allow attendees to print, email or download a certificate of completion if in full attendance. For those in partial attendance (arrived late or left early), a letter of attendance is available through that link and an adjusted certificate of completion reflecting partial credit will be issued within 30 days (if your board allows). Please see "IVVE SEMINAR SCHEDULE" on this brochure for full attendance start and end times. NOTE: Boards do not allow credit for breaks

If your profession is not listed, please contact your licensing board to determine your continuing education requirements and check for reciprocal approval. For other credit inquiries not specified below, or questions on home study credit availability, please contact cepesi@pesi.com or 800-844-8260 before the event.

Materials that are included in this course may include interventions and modalities that are beyond the authorized practice of mental health professionals. As a licensed professional, you are responsible for reviewing the scope of practice, including activities that are defined in law as beyond the boundaries of practice in accordance with and in compliance with your profession's
