Psycho-education, wellness, coping and self-care strategies
Therapeutic tools and resources for recovery

Application of Clinical Knowledge with Case Examples

Reflections and implications for your clinical work

Questions? Call Customer Service: 800-844-8260

OBJECTIVES

1. Analyze the magnitude, circumstances, risk factors, signs and indicators of childhood sexual abuse histories for adults.

2. Determine the impact of trauma on the brain and subsequent ways to better understand and work with the survivor.

3. Evaluate the long-term physical, psychological, and emotional impact of sexual trauma on a person's life.
4. Point out the role of childhood sexual abuse in subsequent violence and other forms of self-destructive patterns of living.

5. Correlate how sexual trauma impacts men and women differently and the relationship to clinical outcomes.

6. Develop clinical interventions to work more effectively with survivors of sexual abuse to support positive outcomes.

SEXUAL TRAUMA

Effectively Guide Survivors to Release the Past, Restore Resilience and Heal from Sexual Abuse

The **sexual abuse leaves your client feelings of unworthy and you may be at a loss on how to properly treat them.** By only focusing on the symptoms, you may miss what the root of the problem could be— undisclosed sexual assault, childhood sexual abuse, difficulties with sexual intimacy or other sexual traumas.

This **seminar will provide you with specific knowledge and resources to enhance your capacity to effectively work with survivors of sexual abuse.** You will also learn about important similarities as well as differences in the impact and clinical outcomes for men versus women.

Through informed and uplifting didactic exercises, case examples and lectures, you will know how facilitate healthy measures towards recovery and assist in managing sensitive trauma- and drug linked triggers associated with sexual intimacy. You will be provided with the tools and knowledge to facilitate healing for clients traumatized by sexual abuse.

SPEAKER

Germaïne Boswell Tizzano, Ph.D., has presented nationally and internationally on trauma, drug and alcohol addiction, sexuality and sexual health, body image, and mental health for more than 30 years. Dr. Tizzano is the owner and founder of Views From a Tree House, Inc.,

In her training programs, Dr. Tizzano balances her professional approach to dealing with difficult and sensitive topics with her personal, exciting, and effervescent style. She creatively designs programs to move participants from cognition, to self-awareness, to direct application in working with individuals who struggle with trauma and substance abuse.

In addition, she has authored and published an innovative and engaging curriculum, Sanctuary for Change, designed to provide at risk women with the tools and knowledge to make informed choices about their sexual health. This program is aimed at psycho-educational approaches to sexual recovery and is being implemented by the criminal justice system, mental health services, substance abuse centers, and family planning programs.

Dr. Tizzano is uniquely qualified to present trainings that speak to the heart of the participants’ passion for women and men who have survived treacherous life situations and have become disenfranchised. Having lived through and been in active sexual trauma recovery herself, Ms. Tizzano is sensitive to the challenges of individuals impacted by abuse. She values the gifts of sacred healing, renewal, and transformation offered by professionals who serve men and women.

Speaker Disclosure:
Financial: Germaïne Boswell Tizzano is President and Founder of Views From a Tree House. She receives a speaking honorarium from PESI, Inc.
Non-financial: Germaïne Boswell Tizzano has no relevant non-financial relationship to disclose.

“I am a victim and a survivor of sexual abuse. I did not choose this path. I do not want this path. I must face this path.”

-Germaïne Boswell Tizzano, Ph.D.
