IF EVER THERE WAS A CAREER-CHANGING, LIFE-CHANGING SEMINAR
IT’S A DAY WITH DAVID KESSLER

Grief and grieving. It’s traumatic. It’s awkward. It’s painful.
How often do you walk into the session or the client’s room knowing that your education did not prepare you for this? How often do you miss having the right words, phrases and the right actions to console?

As professionals we are expected to have the right words at hand, the right actions to recommend, and the right response. Most of us fail **shamefully due to a lack of grief emphasis in our training. Every client we will see will experience loss in their life.**

Join **David Kessler**, international grief expert, author and practitioner and transform your practice, your life, and learn the art of caring for the grieving. You will then know the right words and actions to truly be of help to the dying and grieving.

David’s personal experience of witnessing a mass shooting as a child and its aftermath helped him begin his journey as a grief healer. Through his work with **Elisabeth Kübler-Ross** and **Mother Teresa**, he has helped thousands of people face life and death with peace, dignity and courage. From working with Elizabeth Taylor, Michael Landon, and Anthony Perkins to seeing up-close the devastation and heroic response of so many at 9/11, Ground Zero, and Sandy Hook Elementary School tragedies, David lives the work he teaches.

Don’t let more time go by feeling unprepared to help your clients process their trauma, their grief and heal. Sign up today for this life-altering day.

Speaker

David Kessler is one of the world’s foremost experts on healing and loss. His experience with thousands of people on the edge of life and death has taught him the secrets to living a happy and fulfilled life.

He is the author of five bestselling books. His first book, *The Needs of the Dying*, a #1 best-selling hospice book, received praise by Mother Teresa. He co-authored two bestsellers with the legendary Elisabeth Kübler-Ross: *On Grief and Grieving* and *Life Lessons*. His latest book is *You Can Heal Your Heart: Finding Peace After Breakup, Divorce or Death* with Louise Hay. He worked with Elizabeth Taylor, Jamie Lee Curtis, and Marianne Williamson when their loved ones faced life-challenging illnesses. He also worked with late actors Anthony Perkins and Michael Landon. David’s work has been discussed in the *Los Angeles Times*, *Business Week* and *Life Magazine*, and has been featured on “CNN-Cross Fire”, NBC, Fox, PBS, “Dr. Oz” and “Entertainment Tonight”. David is a contributing writer on Oprah.com, Dr. Oz’s Sharecare.com, *Anderson Cooper 360* and *The Huffington Post*.

David has a master’s degree in Health Care Bioethics from Loyola Marymount University, he did his undergraduate work at University of Southern California and is a member of the American College of Health Care Executives. He is a certified AMA / EPEC (Education for Physicians) trainer. He also is the founding chairperson for the Hospital Association of Southern California Palliative Care Committee and spent the last decade as a C-suite executive in a 650 bed – three hospital system in Los Angeles County.

Speaker Disclosures:

Financial: David Kessler is president of David Kessler, Inc. He is an author for Simon & Schuster – New York and receives royalties. Mr. Kessler receives a speaking honorarium from PESI, Inc.

Non-financial: David Kessler has no relevant non-financial relationship to disclose.

Objectives

- 1. Explore the dynamics of different types of grief and the healing processes associated with each.
- 2. Specify age appropriate grieving milestones that occur across the lifespan.
- 3. Articulate the somatic response to grief and identify how to manage residual grief in the body.
- 4. Consider why children are often the “forgotten grievers” and identify strategies for helping this population.
- 5. Analyze the efficacy of positive psychology interventions in treating grief.
- 6. Ascertain the relationship between traumatic events and grief as it relates to the healing process.
