

CERTIFIED CLINICAL TRAUMA PROFESSIONAL

Two-Day Trauma Competency Conference

The successful resolution of traumatic stress can be simple.

Studies indicate that there are four key elements to effective trauma treatment. When you accomplish these four key elements in treatment with your clients, you will be able to reduce their symptoms and improve clinical outcomes.

Attend this conference and you will walk away with a step-by-step **four-stage framework** for navigating essential elements of trauma treatment with your traumatized clients.

The essential elements are common to all evidence-based trauma treatments, you will learn how you can integrate this framework with your current approach or methodology to make your trauma treatment even more effective!

This trauma competency training can **transform your clinical practice and help improve your trauma treatment outcomes**, just as it has for other clinicians around the world.

****In addition, completion of this two-day conference meets the educational requirements when applying to become a Certified Clinical Trauma Professional** (International Association of Trauma Professionals, www.traumapro.net)

Meet Your Speaker

Eric Gentry, Ph.D., LMHC, is an internationally recognized leader in the field of disaster and clinical traumatology, having trained thousands of professionals and paraprofessionals worldwide in the treatment of traumatic stress. His doctorate is from Florida State University where he studied with Professor Charles Figley, one of the pioneers of traumatic stress. Dr. Gentry was one of the original faculty members of the Traumatology Institute and later became the co-director of the International Traumatology Institute at the University of South Florida. Dr. Gentry, along with Dr. Anna Baranowsky, is the co-author and co-owner of the Traumatology Institute Training Curriculum—17 courses in field and clinical traumatology leading to seven separate certifications.

Dr. Gentry has been a clinical member of several CISM teams and has provided assistance in many different disaster and critical incidents including Oklahoma City, New York City, and hurricanes in Florida. He was the developer of the Community Crisis Support Team, which began in Tampa, Florida, and has become a model for communities to integrate mental health services into their disaster response network.

Dr. Gentry has published many research articles, book chapters, and periodicals in this maturing area of study. He is the co-author of the critically acclaimed *Trauma Practice: Tools for Stabilization and Recovery* (Third Edition) published by Hogrefe and Huber in 2011. He has a private clinical and consulting practice in Sarasota, FL, and is adjunct faculty at many universities. Dr. Gentry draws equally from his scientific study and from his rich history of 30+ years of clinical experience with trauma survivors to balance this training with current, empirically grounded information and experienced-based compassionate intervention skills. You will be challenged, inspired, and uplifted by Dr. Gentry and this unique training.

Speaker Disclosure:

Financial: J. Eric Gentry receives compensation as Owner of Compassion Unlimited. He receives royalties as an author for Hogrefe & Huber Publishing. Dr. Gentry receives a speaking honorarium from PESI, Inc.

Non-financial: J. Eric Gentry has no relevant non-financial relationship to disclose.

Forward-Facing Trauma Therapy: Healing the Moral Wound

By J. Eric Gentry, Ph.D., LMHC

Your Presenter!

In this groundbreaking book, trauma expert J. Eric Gentry builds upon pioneering insight to introduce Forward-Facing Trauma Therapy (FFTT), the next evolutionary leap in the treatment of traumatic stress. FFTT addresses trauma and its destructive symptomology at its source, the dysregulation of our autonomic nervous systems and hypervigilant threat response caused by adaptation to painful past experiences. Dr. Gentry provides a step-by-step guide for implementing a three-pronged methodology, and explains the how and why the techniques work so effectively.

Certification Training for Compassion Fatigue Professionals (CCFP)

By Martha Teater, MA, LMFT, LCAS, LPC, & John Ludgate, PhD & J. Eric Gentry, Ph.D., LMHC

Your Presenter!

The Certified Compassion Fatigue course is designed by Dr. Eric Gentry to provide participants with the skills and knowledge to meet the International Association of Trauma Professionals 16 Certification Criteria for the CCFP designation. This course includes a wide array of information and skills to help caregivers combat compassion fatigue and develop professional resiliency skills to be maximally functional under the emotional demands of their work environment. This is an intermediate-level certification and course and is open to any care giving professional or volunteer.

Trauma, PTSD, Grief & Loss:

The 10 Core Competencies for Evidence-Based Treatment

By Michael Dubi, Ed.D., LMHC, Patrick Powell, EDD, LMHC, LPC, NCC & J. Eric Gentry, Ph.D., LMHC

Your Presenter!

A holistic and systemic path of understanding traumatic stress. Key approaches and effective interventions include Feedback Informed Therapy, self-regulation, EMDR, Tri-Phasic Models, exposure-based therapies, CBT and Narrative Exposure Therapy.

Outline

A Brief History and Evolution of Traumatic Stress, Grief & Loss

- Systemic traumatic stress theory
- Symptom review
- Review of effective treatments
- Tri Phasic model
- Most commonly used instruments to assess traumatic stress

Core Competencies of Traumatic Stress, Grief & Loss Bio-Psycho-Social-Spiritual Factors that Produce Anxiety & Traumatic Stress

- Precipitating events
- Meaning making
- Physiology of trauma
- Perception

Adaptive and maladaptive coping behaviors

- Trauma adaptation
- Systemic influences
- Emotional & psychological stressors
- Integrated theoretical concepts from stress, crisis & trauma theories
- Information processing model
- Psychosocial model

Review of Effective Treatment Interventions

- Cognitive Behavioral Techniques (PE, CPT & SIT)
- EMDR & Bilateral Stimulation
- Thought Field Therapy (TFT)/Emotional Freedom Techniques (EFT)
- Sensorimotor

The Biochemical, Affective, and Cognitive Impacts of Traumatic Stress

- Affective volatility
- The body keeps the score
- Biology of traumatic stress

The Impacts of Traumatic Stress Over Time & Across & Within Developmental Stages

- Epigenetics
- Reactive Attachment Disorder
- Adrenal fatigue

The Role of Traumatic Stress in Clinical Disorders such as Personality Disorders, Dissociative Identity Disorder, and More

- Traumagenesis
- Traumaddiction
- Comorbidity

Conceptualizing a Framework of Healing for Survivors of Traumatic Stress

- Systemic perspective
- Strengths perspective
- Survivor metaphor

Traumatic Stress Exists Across the Continuum of Systemic Levels

- Systemic trauma theory
- Community trauma
- Vicarious secondary traumatization

Theories of Traumatic Stress, Loss and Grief

- Information processing model
- Psychosocial model
- Contemporary thoughts
- Bereavement and Adjustment Disorders
- Supporting normal bereavement
- Treating complicated bereavement

Assessment of Traumatic Stress Disorders

- Diagnostic and Statistical Manual of the APA
- DSM-5® changes
- ACE & developmental trauma
- Diagnosing PTSD with the PCL-5

Evidence-Based Techniques/Interventions

- Relaxation/self-regulation
- Grounding
- Containment
- Writing/journaling
- Drawing art
- Healing metaphors
- Transitional objects

Demonstrations: Interactive Exercises/Application of Skills

- Cognitive Behavioral Techniques
- Narrative Exposure Therapy Technique
- Thought Field Therapy (TFT)
- Bilateral Stimulation

Limitations of the Research and Potential Risks

- Limitations of many accepted models of trauma treatment
- Weaknesses and limitations of evidence-based trauma treatment models
- Limitations of the diagnostic (DSM-5 ®) system
- Limitations and potential risks in grief work, due to research scarcity on the topic

Closure: Lessons Learned

Live Seminar Schedule (both days):

- 7:30** Registration/Morning Coffee & Tea
 - 8:00** Program begins
 - 11:50-1:00** Lunch (on your own)
 - 4:00** Program ends
- There will be two 15-min breaks (mid-morning & mid-afternoon). Actual lunch and break start times are at the discretion of the speaker. A more detailed schedule is available upon request.

Hassle-Free Cancellation Policy:

If you contact us before the event date, you can exchange for a DVD or CD/digital manual package on the subject (self-study continuing education credit may be available), a certificate to attend another seminar, or receive a tuition refund less a \$60 cancel fee. Substitutions are permitted at any time.

Seminar on CD or DVD Package:

You can purchase a self-study package on the subject. You will receive a set of CDs or DVDs that include a digital copy of the seminar manual and post-test/evaluation. You and your colleagues can receive CE hours for a nominal fee. To determine if homestudy credits are available for your profession go to www.pesi.com or call 800-844-8260. Check with your licensing board to verify acceptance of self-study credits for license renewal. Order today by using the order form on this brochure or by calling 800-844-8260.

Live Seminar Continuing Education Information

Credits listed below are for full attendance at the live event only. After attendance has been verified, pre-registered attendees will receive an email from PESI Customer Service with the subject line, "Evaluation and Certificate" within one week. This email will contain a link to complete the seminar evaluation and allow attendees to print, email or download a certificate of completion if in full attendance. For those in partial attendance (arrived late or left early), a letter of attendance is available through that link and an adjusted certificate of completion reflecting partial credit will be issued within 30 days (if your board allows). Please see "Live seminar schedule" for full attendance start and end times. NOTE: Boards do not allow credit for breaks or lunch.

If your profession is not listed, please contact your licensing board to determine your continuing education requirements and check for reciprocal approval. For other credit inquiries not specified below, or questions on home study credit availability, please contact cepesi@pesi.com or 800-844-8260 before the event.

Materials that are included in this course may include interventions and modalities that are beyond the authorized practice of mental health professionals. As a licensed professional, you are responsible for reviewing the scope of practice, including activities that are defined in law as beyond the boundaries of practice in accordance with and in compliance with your professions standards.

PESI, Inc. offers continuing education programs and products under the brand names PESI, PESI Healthcare, PESI Rehab and Psychotherapy Networker.

ADDICTION COUNSELORS: This course has been approved by PESI, Inc., as a NAADAC Approved Education Provider, for 12.5 CE in the counseling services skill group. NAADAC Provider #77553. PESI, Inc. is responsible for all aspects of their programming. Full attendance is required; no partial credit will be awarded for partial attendance.

COUNSELORS: This intermediate activity consists of 12.5 clock hours of continuing education instruction. Credit requirements and approvals vary per state board regulations. Please save the course outline, the certificate of completion you receive from the activity and contact your state board or organization to determine specific filing requirements.

DISTRICT OF COLUMBIA COUNSELORS: This intermediate activity consists of 12.5 clock hours of continuing education instruction. Credit requirements and approvals vary per state board regulations. Please contact your licensing board to determine if they accept programs or providers approved by other national or state licensing boards. A certificate of attendance will be awarded at the end of the program to participants who are in full attendance and who complete the program evaluation.

MARYLAND COUNSELORS: This intermediate activity is approved for 12.5 clock hours of continuing education instruction. The Maryland Board of Professional Counselors recognizes courses and providers that are approved by the NAADAC. A certificate of attendance will be awarded at the end of the program to counselors who complete the program evaluation, to submit to their state board.

VIRGINIA COUNSELORS: This intermediate activity consists of 12.5 clock hours of continuing education instruction. Credit requirements and approvals vary per state board regulations. Please contact your licensing board to determine if they accept programs or providers approved by other national or state licensing boards. A certificate of attendance will be awarded at the end of the program to participants who are in full attendance and who complete the program evaluation.

MARRIAGE & FAMILY THERAPISTS: This activity consists of 760 minutes of continuing education instruction. Credit requirements and approvals vary per state board regulations. You should save this course outline, the certificate of completion you receive from the activity and contact your state board or organization to determine specific filing requirements.

Objectives

- Examine the nature of traumatic stress, grief, & loss and their sequelae.
- Analyze the clinical application of various theoretical treatment models for traumatic stress, grief & loss.
- Evaluate traumatic stress, grief & loss from biochemical, psychological, social & spiritual perspectives in order to improve clinical outcomes.
- Examine the clinical research that supports the imperative factors that influence the efficacy of trauma treatment.
- Assess the comorbidity of traumatic stress in other diagnoses, including personality disorders and Dissociative Identity Disorder, and identify appropriate treatment Interventions.
- Provide psychoeducation and cognitive restructuring techniques for maximizing client engagement and participation in early stages of treatment.
- Determine the efficacy of self-regulation skills as a preliminary treatment intervention for trauma.
- Articulate the 10 core competencies of traumatic stress, grief and loss and specify the clinical application of each.
- Incorporate clinical interventions and techniques for the initial assessment, safety and stabilization phase of treatment as well as the remembrance and mourning phases of trauma treatment.
- Examine the potential clinical limitations and benefits of completing a needs assessment for better progress in treatment.
- Develop clinical skills to support and facilitate recovery from complicated bereavement in clients.
- Incorporate CBT skills to promote the development of stability, self-efficacy, anxiety management, and relational capacities in traumatized clients.
