Emotional Eating, Chronic Dieting, Bingeing and Body Image

What Every Clinician Needs to Know

“I’m too fat.” “I’m on a diet.” “Today is a cheat day.”
“Once I lose weight, I’ll be happier.”
“My eating is out of control.”

This kind of language runs rampant in our society and has no doubt made its way to your office. Clients who struggle with weight and food issues get caught in a vortex of shame, preoccupation and hopelessness. Trapped between the rigidity of dieting and the chaos of overeating, every day can be an emotional battle that may exacerbate or even result in low self-worth, eating disorders, anxiety or depression.

Treatment of these issues is more than a matter of weight loss or self-control. In fact, many times these very interventions do more harm than good!

Join Judith Matz as she shows you how to help your clients identify the shame that is woven into the diet-binge cycle, challenge unhelpful thoughts and feelings, and repair dysfunctional relationships with food – no willpower necessary!

Sign up today!

“This might be one of the best workshops I’ve ever attended. The content was a relevant paradigm shift with realistic and applicable approaches. The interventions will be utilized – I cannot wait to employ them with my clients. Thank you!”
Rachel, social worker

Speaker

Judith Matz, LCSW, is the co-author of two books on the topics of eating and weight struggles. *Beyond a Shadow of a Diet: The Comprehensive Guide to Treating Binge Eating Disorder, Compulsive Eating and Emotional Overeating* has been called “the new bible” on this topic for professionals. *The Diet Survivor’s Handbook: 60 Lessons in Eating, Acceptance and Self-Care* was a #1 bestseller on Amazon and a favorite resource for therapists to use with clients. She is also the author of *Amanda’s Big Dream*, a children’s book that helps kids to pursue their dreams – at any size!

Judith has a private practice in Skokie, IL, where she focuses her work with clients who want to get off the diet/binge rollercoaster and learn to feel at home in their bodies. Through her individual counseling, groups, workshops, presentations and books, Judith has helped thousands of people to develop self-care skills that increase physical, emotional and spiritual wellbeing without a focus on the pursuit of weight loss. Through educational programs, she is dedicated to helping people end the preoccupation with food and weight. Judith received her MSW at University of Michigan, and earned her post-graduate certificate at Michael Reese Hospital in Chicago, where she trained in the treatment of eating disorders.

Judith is a frequent contributor to the *Psychotherapy Networker* magazine and a popular speaker at national conferences. Descriptions of her work have appeared in the media including *the New York Times*, *LA Times*, *Allure*, *Fitness*, *Self*, *Shape*, *Today’s Dietitian*, *Diabetes Self-Management*, *NBC News Chicago*, *Huffington Post Live*, and she appears in the documentary *America The Beautiful 2*.
