IF EVER THERE WAS A CAREER-CHANGING, LIFE-CHANGING SEMINAR  
IT'S A DAY WITH DAVID KESSLER

Grief and grieving. It's traumatic. It's awkward. It's painful.

How often do you walk into the session or the client's room knowing that your education did not prepare you for this? How often do you miss having the right words, phrases and the right actions to console?

As professionals we are expected to have the right words at hand, the right actions to recommend, and the right response. Most of us fail **shamefully due to a lack of grief emphasis in our training. Every client we will see will experience loss in their life.**

Join **David Kessler**, international grief expert, author and practitioner and transform your practice, your life, and learn the art of caring for the grieving. You will then know the right words and actions to truly be of help to the dying and grieving.

David's personal experience of witnessing a mass shooting as a child and its aftermath helped him begin his journey as a grief healer. Through his work with **Elisabeth Kübler-Ross** and **Mother Teresa**, he has helped thousands of people face life and death with peace, dignity and courage. From working with Elizabeth Taylor, Michael Landon, and Anthony Perkins to seeing up-close the devastation and heroic response of so many at 9/11, Ground Zero, and Sandy Hook Elementary School tragedies, David lives the work he teaches.

Don't let more time go by feeling unprepared to help your clients process their trauma, their grief and heal. Sign up today for this life-altering day.
