Speaker

Marwa Azab, Ph.D., teaches for the Psychology and Human Development departments at Cal State University, Long Beach, (CSULB). She currently teaches the psychopharmacology course for graduate students. She has also taught for the Biology department at University of California, Irvine (UCI). Marwa studied psychology for many years and completed a masters in Counseling. She has facilitated many groups such as anger management, stress management, interpersonal communication and many others for patients suffering from a variety of mental disorders. After many years of addressing human behaviors from a psychological perspective, she realized that there were blind spots that needed to be satiated from complementary fields. Thus, she completed a Ph.D. in Biological Sciences with emphasis on Neuroscience. Marwa started life coaching utilizing an interdisciplinary approach that intersects psychology, biology and genetics.

Marwa is a sought after international public speaker who is invited to speak on a variety of interdisciplinary topics, including three TEDx talks. She recently published her first book titled, *Anxiety Disorders: New Science on Mind-Body Connections and Healing* and blogs for *Psychology Today*, her blog is called “Neuroscience in Everyday Life”. You can connect with her on her Facebook page: www.facebook.com/DrMarwaAzab.

Speaker Disclosure:

Financial: Marwa Azab has an employment relationship with Cal State University, Long Beach. She receives a speaking honorarium from PESI, Inc.

Non-financial: Marwa Azab writes a blog for Psychology Today called “Neuroscience in Everyday Life.”

Psychopharmacology

Straight Talk on Mental Health Medications - 3rd Edition

By Joseph F. Wegmann, R.PH., LCSW

A definitive guide to expand your knowledge in the pharmacological and behavioral treatment of psychosis, anxiety, depression, bipolar, insomnia and ADHD. Updates for the third edition include DSM-5 applications, newly released psychiatric meds, new risk factors with antidepressants, and the latest in geriatric psychopharmacology. (2015)

Opioid Use Disorder

A Holistic Guide to Assessment, Treatment, and Recovery

By Charles Atkins, MD

Overdoses have lowered the life expectancy in the United States for two years in a row. The leading cause -- opioids. This epidemic has spread through every sector of our country, destroying lives as parents, friends, families, and those entrapped by opioids struggle to find help.

Live Seminar Continuing Education Credit Information

Credits listed below are for full attendance at the live event only. After attendance has been verified, pre-registered attendees will receive an email from PESI Customer Service with the subject line, "Evaluation and Certificate" within one week. This email will contain a link to complete the seminar evaluation and allow attendees to print, email or download a certificate of completion if in full attendance. For those in partial attendance (arrived late or left early), a letter of attendance is available through that link and an adjusted certificate of completion reflecting partial credit will be issued within 30 days (if your board allows). Please see LIVE SEMINAR SCHEDULE on this brochure for full attendance start and end times. NOTE: Boards do not allow credit for breaks or lunch.

If your profession is not listed, please contact your licensing board to determine your continuing education requirements and check for reciprocal approval. For other credit inquiries not specified below, or questions on home study credit availability, please contact cepesi@pesi.com or 800-844-8260 before the event.
