ALZHEIMER'S DISEASE & OTHER DEMENTIAS

CERTIFICATE PROGRAM

This one-day certificate program is vital for anyone who works with dementia patients and needs skills and proven strategies to provide optimal care!

Join Dr. Sherrie All as she provides you with the assessment tools and interventions you need to identify and differentiate between dementias, prevent and reduce difficult behaviors, and improve your ability to communicate with cognitively impaired patients!

More than just an overview of dementia and Alzheimer's, this program will offer practical solutions to some of the most challenging real-life situations you face and bring you up to speed on the latest medications, preventative treatments, and advances in early detection that could impact your work.

Best of all, you'll get your Certificate in Alzheimer's Disease & Other Dementias letting colleagues, employers, and families know that you've invested the extra time and effort necessary to understand the complexities of the disease, build essential skills, and employ safe and effective best practices to provide quality care.

Sign up today! No matter your profession, you'll leave this comprehensive program more confident in your ability to minimize challenging behavioral issues associated with dementia, improve communication with your patients, and provide the best care possible for this vulnerable population!

SPEAKER

Sherrie All, Ph.D., is a licensed clinical neuropsychologist who has specialized in treating people with dementia, Parkinson's disease, TBI, MS and other neurological disorders for over a decade. Dr. All is the founder and director of the Chicago Center for Cognitive Wellness, a private neuropsychology practice specializing in cognitive rehabilitation and brain health. The evidence-based cognitive rehabilitation interventions she uses have helped hundreds of adults experiencing cognitive declines improve their thinking skills, expand their functional independence and enhance their brain health.

Dr. All has worked as a consultant to the Mather LifeWays Institute on Aging, helping to develop and evaluate a holistic brain fitness program, and her work with individuals on ways to lower their personal risk for dementia has earned the attention of media outlets including *The New Yorker* and *Crain's Chicago Business*. Dr. All earned her Ph.D. in Clinical Psychology from Rosalind Franklin University of Medicine and Science and is a member of the American Psychological Association.

Speaker Disclosures:

Live Seminar Continuing Education Credit Information

Credits listed below are for full attendance at the live event only. After attendance has been verified, pre-registered attendees will receive an email from PESI Customer Service with the subject line, "Evaluation and Certificate" within one week. This email will contain a link to complete the seminar evaluation and allow attendees to print, email or download a certificate of completion if in full attendance. For those in partial attendance (arrived late or left early), a letter of attendance is available through that link and an adjusted certificate of completion reflecting partial credit will be issued within 30 days (if your board allows). Please see "LIVE SEMINAR SCHEDULE" on this brochure for full attendance start and end times. NOTE: Boards do not allow credit for breaks or lunch.

If your profession is not listed, please contact your licensing board to determine your continuing education requirements and check for reciprocal approval. For other credit inquiries not specified below, or questions on home study credit availability, please contact cepesi@pesi.com or 800-844-8260 before the event.
