## Certification Training

This one-day program is vital for anyone who works with dementia and needs skills and proven strategies to provide optimal care!

Join Dr. Sherrie All as she provides you with the assessment tools and interventions you need to identify and differentiate between dementias, prevent and reduce difficult behaviors, and improve your ability to communicate with cognitively impaired patients!

More than just an overview of dementia and Alzheimer's, this program will offer practical solutions to some of the most challenging real-life situations you face and bring you up to speed on the latest medications, preventative treatments, and advances in early detection that could impact your work.

Best of all, upon completion of this live training, you'll be eligible to become a **Certified Grief Counseling Specialist (CGCS)** through Evergreen Certifications. Certification lets colleagues, employers, and caregivers know that you've invested the extra time and effort necessary to understand the complexities of grief counselling. Professional standards apply. Visit [www.evergreencertifications.com/grief](http://www.evergreencertifications.com/grief) for details.

**Sign up today!** No matter your profession, you'll leave this comprehensive program more confident in your ability to minimize challenging behavioral issues associated with dementia, improve communication with your patients, and provide the best care possible for this vulnerable population!

## SPEAKER

**Sherrie All, Ph.D.**, is a licensed clinical neuropsychologist who has specialized in treating people with dementia, Parkinson's disease, TBI, MS and other neurological disorders for over a decade. Dr. All is the founder and director of the Chicago Center for Cognitive Wellness, a private neuropsychology practice specializing in cognitive rehabilitation and brain health. The evidence-based cognitive rehabilitation interventions she uses have helped hundreds of adults experiencing cognitive declines improve their thinking skills, expand their functional independence and enhance their brain health.

Dr. All has worked as a consultant to the Mather LifeWays Institute on Aging, helping to develop and evaluate a holistic brain fitness program, and her work with individuals on ways to lower their personal risk for dementia has earned the attention of media outlets including *The New Yorker* and *Crain's Chicago Business*. Dr. All earned her Ph.D. in Clinical Psychology from Rosalind Franklin University of Medicine and Science and is a member of the American Psychological Association.

Speaker Disclosures:

Financial: Sherrie All is the owner of the Chicago Center for Cognitive Wellness. She receives a speaking honorarium from PESI, Inc.
