2-Day: Certified Clinical Telemental Health Provider Training

A Therapist Guide for Ethical, Legal and Technology Concerns when Using Teletherapy

Become a Certified Clinical Telemental Health Provider (CTMH)
faster and easier than you ever thought possible!

Providing telehealth services is a must for today's clinician, allowing you to effectively expand your practice and reach clients even when they can't come to your office.

But you're worried that the quality of your treatment could suffer and your license could be put at risk navigating complicated ethical, legal and technological issues you never thought you'd need to face.

This 12-hour Certification Course makes telehealth easy with the skills, knowledge, business advice, and technical guidance you need to get started right away!

Get the solutions you've been looking for so you can:

- **Confidently set up the technology** and tools you need to start providing telehealth services
- **Successfully adapt** in-room practices to the telehealth space!
- **Avoid violating HIPAA and HITECH** requirements and protect clients' privacy
- **Correctly handle billing** and recordkeeping
- **Make sure you get paid** for your telehealth services!
- **Protect yourself** from telehealth mistakes that could cost you your license

Add value to your clinical toolbox and resume with specialized training in delivering therapy services in the virtual space!

Best of all, upon completion of this live training, you'll be eligible to become a **Certified Clinical Telemental Health Provider (CTMH)** through Evergreen Certifications. Certification lets colleagues, employers, and clients know that you've invested the extra time and effort necessary to understand the complexities of using telemental health in mental health counselling. Professional standards apply. Visit www.evergreencertifications.com/ctmh for details.

Sign up today and get the skills and confidence you need to successfully help your clients with the power of telemental health!

MEET YOUR SPEAKER

Melissa Westendorf, Ph.D., J.D., is a clinical and forensic psychologist and founder of the Technology Wellness Center. As a clinician, she has provided therapy to adults and adolescents in the community and within the correctional setting. Dr. Westendorf's forensic practice is dedicated to assessing adults and youth in either the criminal justice system or in civil matters. As a technology wellness expert, she is dedicated to assisting parents, children, adolescents, and adults on understanding the complexities of technology use and the impact on our brains, emotions, and interpersonal relationships. Dr. Westendorf's legal training coupled with her clinical background enables her to work with individuals who are experiencing the legal ramifications of technology use.

As a proactive psychologist and educator, Dr. Westendorf is a keynote speaker at academic institutions, parent organizations, businesses, and community groups, offering preventative tools and resources that educate others on how to manage technology use in a healthy manner. She is the co-author of *Unplug! Raising Kids in a Technology Addicted World*. She has served on the committee for legal issues for the American Psychological Association and on the Psychology Examining Board for the state of Wisconsin.

Speaker Disclosures:
Financial: Melissa Westendorf is a founder of the Technology Wellness Center. She is in private practice. Dr. Westendorf receives a speaking honorarium from PESI, Inc.
Non-financial: Melissa Westendorf is a member of the American Psychological Association.
