# DYSLEXIA TREATMENT —MADE EASY—

Do you find yourself shifting from in-person to virtual services with little time to plan? Are you or parents overwhelmed and underprepared on how to help children at home?

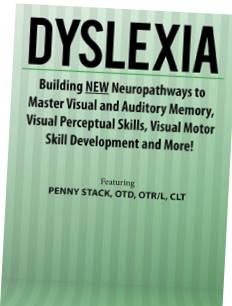

If you answered yes, this course is for you!

Help parents achieve follow through with recommendations for school to home activities.

You'll learn how to use a simple cooking activity to improve visual memory for following written directions, tangram puzzles to decrease letter reversals, the license plate game to improve figure ground, such as finding words when scanning a book, and much more! By the end of this workshop you'll feel confident and empowered to identify a child's learning needs, gain strategies for dyslexia that will make a positive impact, and develop in-person or virtual treatment goals for academic success!

## Bonus Content Included:

**Dyslexia:**  
**Building NEW Neuropathways to Master Visual and Auditory Memory, Visual Perceptual Skills, Visual Motor Skill Development and More!**

Digital Download

**Risk Free Purchase!** PESI stands by our trainings and we have a 100% satisfaction guarantee. If you are not satisfied, please contact our customer service team at [www.pesirehab.com/info](http://www.pesirehab.com/info) or 800-844-8260 and we will make it right.

## Meet Your Speaker

**Penny Stack, OTD, OTR/L** is the founding owner of Dyslexia Center of Tulsa, located in Tulsa, Oklahoma. Penny has over 30 years of experience as an occupational therapist that include working with children who have special learning needs. As a mother of a child with dyslexia and an adult living with dyslexia, Penny became passionate about developing practical tools for parents, therapists and teachers next day use. Penny is certified in Handwriting Without Tears, received her Master's in occupational therapy at Samuel Merritt College, Oakland California and is an occupational therapy doctorate student at Loma Linda University. Her research on closed head injuries and cognitive retraining has been published in Brain Injury Journal. Penny has dedicated her research to dyslexia and its impact on occupation: The lived experience.

Speaker Disclosure:

Financial: Penny Stack is the Tulsa Community College Occupational Therapy Assistant Program Director. Dr. Stack receives a speaking honorarium from PESI, Inc.

Non-financial: Penny Stack is a member of the American Occupational Therapy Association; and Oklahoma Occupational Therapy Association.
