2-Day Intensive Training Mindfulness Certification Course

This 2-day Certification training is your chance to become a **Certified Mindfulness-Informed Clinician - Level 1 (CMC-1)** and get the skills and guidance you need to successfully incorporate mindfulness practices into your treatment plans!

And unlike other Mindfulness Certification programs that are too expensive, too time consuming, and require extensive travel, this live webcast training is completely within your reach!

Dr. Debra Alvis is a clinical psychologist and expert on mindfulness who developed the Mind/Body Program at the University of Georgia. Dr. Alvis lectures and leads retreats around the world and **her trainings have helped thousands of clinicians to integrate the richness of Mindfulness into therapy for greater clinical effectiveness.**

Join her for this 2-day intensive live online training and get:

- How-to instruction on using mindfulness-based exercises with clients working through stress, anxiety, trauma, depression, anger, and addiction
- Specific guidance on using mindfulness with individuals and groups
- Feedback and tips on how you can strengthen your personal mindfulness practice

Best of all, upon completion of this live training, you'll be eligible to become a **Certified Mindfulness-Informed Clinician - Level 1 (CMC-1)** through Evergreen Certifications. Certification lets colleagues, employers, and clients know that you've invested the extra time and effort necessary to understand the complexities of using mindfulness in counselling. Professional standards apply. Visit www.evergreencertifications.com/cmc1 for details.

Sign up today, enhance your clinical practice, and fundamentally improve the lives of your clients as a Certified Mindfulness-Informed Clinician - Level 1 (CMC-1)!

Meet Your Speaker

Debra Premashakti Alvis, Ph.D., a licensed psychologist, developed the Mind/Body Program at the University of Georgia providing clinician training on the integration of mindfulness and contemplative practices into psychotherapy. Her work as a professor at the University of Georgia included the supervision of doctoral students and co-leading a research team investigating mindfulness.

In addition to teaching, Dr. Alvis maintains a private practice and has more than 25 years of clinical experience in treating clients with a variety of conditions by combining mindfulness principles, body-oriented principles and traditional psychotherapeutic approaches. She also has an over 30-year personal contemplative practice.

Speaker Disclosure:

Financial: Debra Alvis is in private practice. Dr. Alvis receives a speaking honorarium from PESI, Inc.

Non-financial: Debra Alvis has no relevant non-financial relationship to disclose.
