

Outline

THE FRAMEWORK AND SCIENCE OF COGNITIVE REHABILITATION: NOT ALL BRAIN GAMES ARE REHABILITATION
Brain plasticity and the latest research
Associated brain regions and functions
Compensatory vs. restorative strategies
Cognitive stimulation, cognitive training and cognitive rehabilitation

ASSESSMENT APPROACHES FOR COGNITIVE DECLINE
What the MOCA and SLUMS are telling you and not telling you
When to refer for a full neuropsychological assessment
Make the most of assessment results including neuropsychology reports
Static (TBI / stroke) vs. progressive decline (Alzheimer's disease): Set and maintain realistic treatment goals
Taking care to not “over-pathologize” concussions:
Know the difference between concussion, TBI, CTE and dementia
The use of mood and personality measures

INTERVENTION APPROACHES FOR BARRIERS TO REHABILITATION: MOOD, MOTIVATION & ANXIETY
Motivational interviewing to cultivate engagement and brain health interventions
Treat anxiety and false beliefs to improve cognition
Adjustment to illness and grief: Counseling the brain impaired patient

THE COGNITIVE DECLINE TOOLBOX:
Real World Treatment Strategies for Each Cognitive Domain

ATTENTION & WORKING MEMORY
The neural bases of attention impairment
Help clients understand working memory capacity as a means of improving metacognition
Improve attention and reduce errors by following the DIRECT model and using PEAS & LEAP
“Focused drilling” to expand working memory capacity and generalizing to other outcomes
Mindfulness training to help clients shape attention and improve focus

MEMORY: PROSPECTIVE, ENCODING & RECALL
The neural bases of memory impairment
Frontiers in Alzheimer's disease management
Tailor memory training interventions to level of severity & motivation
Effective use of calendars and other external memory aids for effective daily functioning
Elaborative encoding techniques using visualization, linking and chunking
Memory aids in traditional psychotherapy treatments
Strategies for effective recall of learned information

EXECUTIVE FUNCTION
The neural bases of executive function impairment
Stroke and cerebrovascular disease
Improve planning for greater goal attainment with the use of a reverse timeline worksheet
Expand flexible thinking with 6-step problem solving
The neural basis of stress management and emotion regulation

VISUOSPATIAL & LANGUAGE
The neural bases of visual and language impairment
Useful Field of View Training (UFOV) for driving independence
The “language wallet” for independence among people with aphasia
Supported conversation and script training for aphasia

HOLISTIC BRAIN HEALTH INTERVENTIONS
Shape the brain's destiny: Cognitive reserve to build resistance and resilience to cognitive decline
The impact of socialization on brain health and recovery
Psychotherapy's impact on brain health
Effective cognitive stimulation: The truth about brain games & crosswords
Teach clients how their brain works through metacognition intervention

RESEARCH, LIMITATIONS AND RISKS

Live Seminar & Webinar Schedule
(Time listed in Eastern)

7:30 Registration/Morning Coffee & Tea
8:00 Program begins
11:50-1:00 Lunch (*on your own*)
4:00 Program ends

There will be two 15-min breaks (mid-morning & mid-afternoon).
Actual lunch and break start times are at the discretion of the speaker.
A more detailed schedule is available upon request.

Objectives

- 1. Evaluate the usefulness of cognitive screeners such as the MOCA and SLUMS versus when to refer out to a qualified neuropsychologist.
- 2. Design treatment interventions based on evidence supporting compensatory vs. restorative strategies.
- 3. Evaluate the effect of client anxiety and false beliefs to inform the clinician's choice of treatment interventions and clinical outcomes.
- 4. Employ motivational interviewing techniques and appropriate selection of rehabilitation interventions to improve client engagement.
- 5. Apply interventions to enhance attention, memory, visuospatial, language and executive skill functioning to improve client level of functioning.
- 6. Implement treatment interventions to improve holistic brain health.

Clinical Action for Dementia, TBI, Concussion, Stroke and Other Cognitive Declines

The treatment landscape for dementia and brain related cognitive interventions is rapidly changing, making it difficult to stay abreast of treatments that work and those that have been over-hyped. With the popular understanding of brain plasticity increasing while concussion-related conditions are gaining a wealth of media focus, patients are looking to you to help them separate fact from fiction about brain health and rehabilitation.

Using the latest science, Dr. All will teach you practical interventions to best help your clients build and maintain cognitive skills and functional independence. You will leave the day with a comprehensive toolbox of evidence-based cognitive rehabilitation interventions and the skills you need to match them to the cognitive domains for which they are most effective.

Drawing on over 15 years of clinical experience, Dr. All will teach you techniques and interventions to effectively:

- Assess for cognitive decline and accurately interpret complicated assessment reports
- Determine when to refer out to a specialist for more detailed assessment
- Put the recommendations of a neuropsychological report into action
- Create actionable treatment plans to immediately start helping your clients
- Expand working memory and enhance attention, generalizing to real-world functioning
- Improve memory encoding, consolidation, and retrieval to improve client independence
- Expand executive functions including planning and problem solving to promote flexible thinking
- Improve visuospatial function and language to enhance client independence and social functioning

Walk away with practical and useful techniques that can be implemented immediately within your practice. Sign up today and start feeling confident in delivering the rehabilitation interventions your clients facing cognitive decline so desperately need!

Target Audience:

Social Workers • Psychologists • Counselors • Neuropsychologists • Occupational Therapists
Physical Therapists • Speech-Language Pathologists • Nurses • Nursing Home Administrators
Assisted Living Facility Administrators • Long Term/Acute Care Professionals • Case Managers
Marriage & Family Therapists • Psychiatrists

Meet Your Speaker

Sherrie All, Ph.D., is a Licensed Clinical Psychologist specializing in neuropsychology, cognitive rehabilitation and brain health. She owns and directs the Chicago Center for Cognitive Wellness (CCCW), a group neuropsychology practice offering assessment and treatment services in cognitive rehabilitation and psychotherapy to people affected by cognitive decline. As a leader in the field of brain health, Dr. All works to educate the public on brain-healthy behaviors and innovating brain health coaching. Her work in this area earned her the 2010 Sharpbrains Innovation Award for Most Innovative Mental Health Program as well as the attention of media outlets such as *The New Yorker* and *Crain's Chicago Business*.

Dr. All trains other professionals in how to implement cognitive rehabilitation interventions into their practice, through continuing education programs, supervision and individual consultations. She shares her detailed understanding of the brain and brain-behavior relationships in an engaging and relatable way. Dr. All's forthcoming book and current keynote address, *"Brain Destiny: Everyday Choices to Lower Your Risk for Dementia and Change Your Life"*, offers an entertaining way of promoting a popular understanding of the scientific theory of cognitive reserve to empower people to effectively care for their brains. She has been an invited speaker by the Lifetime Education and Renewal Network (LEARN) of the of the American Society on Aging (ASA) and speaks regularly on the topics of brain health, cognitive rehabilitation and interventions for early-stage dementia. Dr. All's research includes examination of functional MRI (fMRI) and electrophysiological (EEG) biomarkers of cognitive deficits.

Speaker Disclosure:

Financial: Sherrie All is the owner of the Chicago Center for Cognitive Wellness. She receives a speaking honorarium from PESI, Inc.

Non-financial: Sherrie All has no relevant non-financial relationship to disclose.

Live Seminar Continuing Education Credit Information

Credits listed below are for full attendance at the live event only. After attendance has been verified, pre-registered attendees will receive an email from PESI Customer Service with the subject line, "Evaluation and Certificate" within one week. This email will contain a link to complete the seminar evaluation and allow attendees to print, email or download a certificate of completion if in full attendance. For those in partial attendance (arrived late or left early), a letter of attendance is available through that link and an adjusted certificate of completion reflecting partial credit will be issued within 30 days (if your board allows). Please see "live seminar schedule" for full attendance start and end times. The CE certificate for the live, webinar can be downloaded after completing the webinar and passing the online post-test evaluation (80% passing score). NOTE: Boards do not allow credit for breaks or lunch. If your profession is not listed, please contact your licensing board to determine your continuing education requirements and check for reciprocal approval. For other credit inquiries not specified below, or questions on home study credit availability, please contact cepesi@pesi.com or 800-726-3888 before the event. Materials that are included in this course may include interventions and modalities that are beyond the authorized practice of mental health professionals. As a licensed professional, you are responsible for reviewing the scope of practice, including activities that are defined in law as beyond the boundaries of practice in accordance with and in compliance with your professions standards. The planning committee and staff who controlled the content of this activity have no relevant financial relationships to disclose. For speaker disclosures, please see speaker bios. PESI, Inc. offers continuing education programs and products under the brand names PESI, PESI Healthcare, PESI Rehab, PESI Kids, and Psychotherapy Networker.

Counselors: This intermediate activity consists of 6.25 clock hours of continuing education instruction. Credit requirements and approvals vary per state board regulations. Please save the course outline, the certificate of completion you receive from the activity and contact your state board or organization to determine specific filing requirements.

Florida Counselors: CE credit is available. PESI, Inc. is an approved provider with the Florida Board of Clinical Social Work, Marriage and Family Therapy and Mental Health Counseling. Provider Number 50-399. This course qualifies for 6.25 continuing education credits.

Marriage & Family Therapists: This activity consists of 380 minutes of continuing education instruction. Credit requirements and approvals vary per state board regulations. You should save this course outline, the certificate of completion you receive from the activity and contact your state board or organization to determine specific filing requirements.

Florida Marriage & Family Therapists: PESI, Inc. is an approved provider with the Florida Board of Clinical Social Work, Marriage and Family Therapy and Mental Health Counseling. Provider Number 50-399. This course qualifies for 6.25 continuing education credits.

Nurses, Nurse Practitioners, and Clinical Nurse Specialists: PESI, Inc. is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation. Nurses in full attendance will earn 6.25 contact hours. Partial contact hours will be awarded for partial attendance.

Florida Nurses: PESI, Inc. is an approved provider with the Florida Board of Nursing. Provider # FBN2858. This course qualifies for 6.0 contact hours.

Occupational Therapists & Occupational Therapy Assistants: PESI, Inc. is an AOTA Approved Provider of continuing education. Provider #: 3322. Full attendance at this course qualifies for 6.0 contact hours or .6 CEUs in the Category of Domain of OT and Occupational Therapy Process. Partial credit will be issued for partial attendance. The assignment of AOTA CEUs does not imply endorsement of specific course content, products, or clinical procedures by AOTA. Course Level: Intermediate.

Florida Occupational Therapists & Occupational Therapy Assistants: PESI, Inc. is an approved provider with the Florida Board of Occupational Therapy Practice. Provider Number: 50-399. This course qualifies for 6.0 continuing education credits. Please make sure to bring your license number to the seminar so that we can report your attendance to CE Broker.

Physical Therapists & Physical Therapist Assistants: This activity consists of 6.25 clock hours of instruction that is applicable for physical therapists. CE requirements for physical therapists vary per state/jurisdiction. Please retain the certificate of completion that you receive and use as proof of completion when required.

Florida Physical Therapists & Physical Therapist Assistants: This course has been submitted to the Florida Physical Therapy Association. Credits are pending.

Psychologists & Physicians:

Physicians

PESI, Inc. is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. PESI, Inc. designates this live activity for a maximum of 6.0 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Psychologists

The following state psychologist boards recognize activities sponsored by PESI, Inc. as an approved ACCME provider: Alaska, Arkansas, California, Colorado, Georgia, Illinois, Indiana, Kentucky, Maine, Maryland, Missouri, Nebraska, Nevada, New Hampshire, New Jersey, New Mexico, Oklahoma, Pennsylvania, South Carolina and Wisconsin. This activity consists of 6.0 clock hours of continuing education instruction. Certificates of attendance will be issued for you to submit to your state licensing board to recognize for continuing education credit.

Florida Psychologists: CE credit is available. PESI, Inc., is an approved provider with the Florida Board of Psychology. Provider Number 50-399. This course qualifies for 6.3 continuing education credits. Please enter your license number in the program evaluation after the course to have PESI report your attendance to CE Broker.

PESI, Inc. is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. See course information for number of ASHA CEUs, instructional level and content area. ASHA CE Provider approval does not imply endorsement of course content, specific products or clinical procedures.

Speech-Language Pathologists: This course is offered for .6 ASHA CEUs (Intermediate level, Professional area).

** Please note that Speech-Language Pathologists must complete the post-test and evaluation within two weeks of attending the live event if they would like their participation submitted to the ASHA CE Registry. Detailed instructions will be provided the day of the program under the Handouts section of the online program.

Florida Board of Speech-Language Pathology and Audiology: PESI, Inc. is an approved provider with the Florida Board of Speech-Language Pathology and Audiology. Provider Number: 50-399. This course qualifies for 6.0 continuing education credits.

Social Workers: PESI, Inc., #1062, is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved as ACE providers. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. PESI, Inc. maintains responsibility for this course. ACE provider approval period: January 27, 2020 - January 27, 2023. Social Workers completing this live course receive 6.25 Clinical continuing education credits. Course Level: Intermediate. Full attendance is required; no partial credits will be offered for partial attendance. A certificate of attendance will be awarded at the end of the program to social workers who complete the program evaluation.

Florida Social Workers: PESI, Inc. is an approved provider with the Florida Board of Clinical Social Work, Marriage and Family Therapy and Mental Health Counseling. Provider Number 50-399. This course qualifies for 6.25 continuing education credits.

Other Professions: This activity qualifies for 380 minutes of instructional content as required by many national, state and local licensing boards and professional organizations. Save your course outline and certificate of completion, and contact your own board or organization for specific requirements.
