2-DAY INTENSIVE
TRAUMA TREATMENT CERTIFICATION WORKSHOP

EMDR, CBT and Somatic-Based Interventions to Move Clients from Surviving to Thriving

Transform your practice with this intensive 2-day Certification Workshop that will provide you with effective strategies and interventions from EMDR, CBT, somatic approaches, and narrative therapy so you can take your trauma treatment to the next level!

You'll learn how to properly assess clients, effectively stabilize them in preparation for treatment, help them safely reprocess traumatic memories, and develop the resources they need to achieve and maintain recovery. You'll also get detailed guidance on overcoming scenarios involving anger, resistance, and suicidality that can leave you exhausted and uncertain of how to move your most challenging clients forward.

Best of all, upon completion of this live training, you'll be eligible to become a **Certified Clinical Trauma Professional** (CCTP) through Evergreen Certifications. Certification lets colleagues, employers, and clients know that you've invested the extra time and effort necessary to understand the complexities of trauma counselling. Professional standards apply. Visit www.evergreencertifications.com/CCTP for details.

Sign up today, get the proven tools and techniques needed to end the suffering of your clients and move them from surviving to thriving!
