Ethics and Risk Management in Behavioral Health

Join Attorney Robert Landau and Dr. Frederic Reamer as they collaborate to deliver an interactive, dynamic presentation on ever-changing ethics and risk-management challenges in behavioral health.

Keeping up-to-date is essential to protect your clients and yourself. During this workshop you will gain an understanding of ethics and risk-management challenges related to:

- Confidentiality exceptions
- Privileged communication
- Documentation
- Telehealth
- Informed consent
- Boundary issues
- Recent changes to federal regulations governing confidentiality of substance use disorder patient records
- And other complex topics

Landau and Dr. Reamer will highlight ethics and risk-management challenges related to your use of technology to deliver services remotely, communicate with clients, and store records.

This is a workshop you do not want to miss...as both presenters will offer practical advice from both the legal and behavioral health points of view to help you stay on top of issues that arise in everyday clinical situations.

Target Audience:

Counselors • Social Workers • Psychologists • Addiction Counselors • Physicians
Marriage & Family Therapists • Psychiatrists • Behavioral Health Nurses • Case Managers
Other Mental Health Professionals
