Motivational Interviewing

Get ready to make therapy so much easier.

Motivational Interviewing is the proven approach relied on by **thousands of therapists**, just like you, to ignite motivation and end the tug of war between your clients’ reasons to change and their reasons not to.

Whether you work with **trauma, anxiety, substance abuse** or a host of other issues, MI is the go-to tool that has even the toughest clients ready to **take more ownership of the therapeutic process, reach goals faster, and stay better longer**.

And now, in this **best-selling training**, you can join MI expert, author and MINT Trainer Christopher Wagner, PhD for a complete step-by-step guide on quickly and easily bringing MI into your practice so you can walk away with tools to:

- Increase client motivation with depression, anxiety, substance abuse and trauma.
- Improve client adherence to your treatments
- Help clients feel more invested in the therapeutic process
- Ease your effort as the therapist

As one of the **most trusted names** in Motivational Interviewing Dr. Wagner is the perfect person to teach you how to get the most out of MI and skillfully apply it in a variety of settings and scenarios, **from individual therapy to group work**.

You will be able to make tough therapeutic **conversations more productive and maximize opportunities for lasting change from within**.

Full of scripts, worksheets and helpful tips based on the real-life situations you see every day, Dr. Wagner will make MI simple to implement in a way that feels intuitive and easy to integrate with the approaches you already use.

Meet Your Speaker

Christopher C. Wagner, PhD, licensed clinical psychologist, has offered hundreds of Motivational Interviewing (MI) trainings in North America, Europe, Asia, and Australia/Oceania. In addition to focusing on clinical and theoretical advances in MI, he has also developed group applications of MI and is an author of the official Guilford series book entitled *Motivational Interviewing in Groups*, co-written with long-time colleague Karen Ingersoll. Dr. Wagner has been practicing MI for over 20 years, and has served in leadership positions, including the board of directors, of the Motivational Interviewing Network of Trainers (MINT)—the leading international organization of trainers in motivational interviewing representing 40 countries across the globe.

Dr. Wagner’s experience spans across individuals with a variety of health, mental health, addiction, and employment challenges throughout outpatient, inpatient, residential, and corrections settings. He serves as an associate professor at Virginia Commonwealth University where he has focused his scholarship on expanding MI theory and practice. Dr. Wagner’s trainings are highly engaging and specialized on helping participants incorporate MI skills and strategies into their current styles of practice.
